On Sunday, January 31, 2010, The IFMA Chicago Chapter, headed by the community service committee, volunteered their time for the 13th Annual Kohl's Step Up for Kids. All 10 volunteers climbed 80 flights of stairs to the top of the Aon Center, Chicago's 2nd tallest building. The events purpose is to raise money for the patients and families for the Children's Memorial Hospital.

In total, the committee raise over \$2,500 in donations and had an excellent aerobic workout that day. Special thanks to Aaron Smith from the Fruit Guys who donated the shirts and to Traci Sala who worked tirelessly to iron on the IFMA Chicago logo on to each of our shirts!

I had an absolutely wonderful time at the Kohl's Step Up for Kids event! It was very inspiring to see so many people lined up to raise money for Children's Memorial Hospital and to climb 80 flights of stairs! I enjoyed setting fundraising and physical goals for myself, and I can't wait to exceed them next year!

Thanks again for putting together such an awesome IFMA Chicago team!
